

Beedance Bidens

- Colourwave Beedance Bidens Yellow and Painted Red are stunning new varieties of Bidens which are very easy to grow and maintain.
- These Bidens produce masses of lush yellow or scarlet and yellow-coloured flowers all over the plant. These plants have a fantastic compact growth habit and rich green foliage.
- Colourwave Beedance Bidens have a very strong branching habit and will flower consistently all through summer and autumn.
- Perfect for Patio Pots, tubs and in garden beds or planter boxes.

Colourwave Beedance Bidens Painted Red and Yellow will be available at all leading garden retailers in summer, so place your orders now with your favourite local retailer so you won't miss out on this unique Bidens
