

## Petunia Sumo Glacial Pink

- Colourwave Petunia Sumo Glacial Pink is a mound forming petunia which has unrivalled size whilst still maintaining a full form and large, impressive flowers.
- The pale pink flowers of this petunia are highlighted by their deep pink throat which are displayed beautifully all over the plant.
- The perfect landscaping petunia suitable for flower beds, cascading over retaining walls whilst equally being suitable in large patio pots or hanging baskets.
- A stunning addition to the other 3 colours available in this range.

Colourwave Petunia Sumo Glacial Pink will be available at all leading garden retailers in summer, so place your orders now with your favourite local retailer so you won't miss out on this unique Petunia.
