

## Colourwave Petunia Sumo Series 'Go big and bold'

- These mound forming petunias have unrivalled size whilst still being very full with large impressive flowers
- The perfect landscaping petunia suitable for flower beds, cascading over retaining walls whilst equally being suitable in large patio pots or hanging baskets
- Three vibrant on trend colours
- Produces masses of larger than usual flowers all over the plant

Colourwave Petunia Sumo Series will be available at all leading garden retailers in spring, so place your orders now with your favourite local retailer so you won't miss out on this unique Petunia
